# Rita Ledesma Back to School Information

2022/2023

Welcome to the start of the 2022/2023 School year! We're thrilled to welcome back familiar faces and to meet all new students and families. We've prepared some information that will be important to review ahead of our first day of school, August 11.

Please take some time to review the schedules, reminders, procedures, maps, and additional pertinent information. We're following COVID health guidelines, so masks are encouraged but not required at this time. Should you have any questions, please contact us in the office.

We look forward to an incredible school year and we'll see you soon!

# Walker Pick up & Drop off

Walkers should enter campus through our walker gates located near the playground, office, or kinder wing no earlier than 8:00 am.

#### Pick up Reminder:

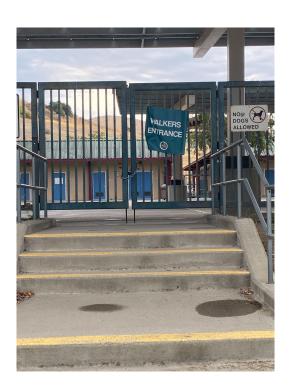

Please meet students on the sidewalk and remain out of the street/parking lot, for safety reasons.

### **Walker entrances**

# Kinder Wing Gate

#### Playground Gate

#### **Office Gate**

# **Vehicle Pick up & Drop Off**

Students being driven to and from school should be picked up and dropped off at the rear of campus only. The front of school is for busing and walkers only.

#### Pick up Reminder:

Please create a sign that can be displayed from your vehicle, that includes your child's name and teacher name. This will assist our after school supervisors in safely expediting after school pick up.

# **Daily Campus Access**

- Please drop off and say good-bye to students at the walking gates so students can make their way to their lines and prepare for school. This will help greatly with campus safety and security.
- During the school day all visitors are required to access the campus through the office, and wear a visitor badge.
- Any meetings with teachers should be scheduled via a phone call or email and scheduled to take place after school hours.

Attendance and timeliness are very important to a student's education.

- Please contact the office to report an absence.
- Any students arriving after 8:15 will be marked tardy.
- Tardy students are required to obtain a tardy slip from the office before going to class.
- Excessive absences or tardiness will require school/district intervention.

# **Lunch Procedures 2022/2023**

Lunchtime will move back into our cafeteria. Here are some lunch procedures that students will become accustomed to:

- Students pick-up their student meal card from the card rack prior to going through the meal service line.
- To receive a meal, students give the cashier their card as required.
- Food service staff scan the card into the POS system. This then tallies the meal as a student meal served to that specific child.

# **Lunch Procedures 2022/2023 Continued**

- At the cafeteria service window, the meal is plated as a complete meal, visually checked to verify that each student has a minimum of three meal/food items with one of them being a ½ cup of a fruit or a vegetable.
- An additional fruit, vegetable and milk is also offered. Meal/food items include - Meat/MMA, Whole grain-enrich, fruit, vegetable and milk.
- Second meals are not allowed. Additional fruit and vegetables are offered and available for students if desired.

# School Reminders

# Health & Safety Protocols (COVID updates)

As we continue to navigate COVID, we're adhering to CDPH guidelines and pivoting based on recommendations. Look for regular updates via parentsquare from the school or district. Here are some current reminders and updates, and as always, please contact our office if your child is feeling ill or displaying COVID symptoms, before sending him/her to school:

- Masking is optional but recommended.
- Families will receive at-home test kits on the first day of school, with additional information provided.
- Parents will be notified if students exhibit symptoms while at school.

# **Pawsitive Behavior Expectations**

Linked here you'll find our <u>Ledesma Pawsitive Behavior</u>
<u>Expectations</u>. Students are expected to follow these guidelines:

- Be Safe
- Be Responsible
- Be Respectful

Please review the guidelines and the Pawsitive Behavior Expectations with your children to ensure clear understanding of appropriate behavior throughout the school.

# **Student Dress Policy**

Rita Ledesma Elementary expects that all students dress in a way that is appropriate for the school days or for any school sponsored event. The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s). Our Ledesma Dress Policy can be found <a href="https://example.com/here">here</a>.

Please carefully review the policy with your student and ensure appropriate dress at school.

A cell phone/smart watch consent form must be on file in order for students to have either item on campus. These documents can be obtained in the office and must be signed/returned prior to having them at school.

 The policy allows students to keep the phone or watch in their backpacks, turned off or in silent mode, until the end of the school day, unless for school purposes as discussed by the teacher.

Please carefully review the policy with your student and ensure appropriate technology use at school.

#### Please remember...

- Fully charged chromebooks Earbuds or headphones
- Textbooks & school supplies
- ☐ Filled water bottles
- Earbuds or headphones
- Textbooks & school supplies
